Administration of an exam does not imply a vacancy exists.

A \$15.00 fee and examination application are required for each separately numbered examination: Application processing fee is payable by check, money order or credit card. Cash is **NOT** accepted. Check or money order must be made payable to "Commissioner of Finance" with the examination number and title indicated on the check or money order. The fee may be waived for candidates meeting certain criteria. See application for more details regarding fee waiver. **Read the announcement carefully; the application processing fee will NOT be refunded to disapproved applicants.**

NOTE: When applying for both open competitive and promotion or open competitive and interdepartmental promotion examinations for the same title, the examination fee will be waived for the promotion or interdepartmental promotion examination only.

VACANCY: The eligible list established as a result of this examination will be used, when appropriate, to fill vacancies as they occur in the Dutchess County Department of Public Works.

NOTE: A Promotion examination is being given in conjunction with this Open Competitive examination. The Promotion eligible list will be certified FIRST.

MINIMUM QUALIFICATIONS: On or before April 18, 2026, to be eligible for this examination, applicant must meet the following minimum qualifications: Graduation from high school or possession of a high school equivalency diploma AND:

- EITHER: (A) Bachelor's degree in construction management, construction technology or a related field and two (2) years of full time supervisory or administrative experience in the field of highway construction and/or maintenance;
- OR: (B) Associates degree in construction management, construction technology or a related field and four (4) years of full time supervisory or administrative experience in the field of highway construction and/or maintenance;
- OR: (C) Six (6) years of full time supervisory or administrative experience in the field of highway construction and/or maintenance;
- OR: (D) An equivalent combination of education, training and experience between the limits of (A) and (C) above.

Anticipated Eligibility – Age and Educational Requirements:

According to Civil Service Law, section 54 which became effective September 4, 2024, applicants who are within 12 months of meeting the minimum age or attaining the minimum educational requirements following the date of examination, may take the civil service exam, but will be restricted from certification until such a time that the minimum age or educational requirements are met.

NOTE: Unless otherwise specified, part-time experience will be pro-rated towards meeting the full-time experience requirements.

SPECIAL REQUIREMENT: Possession of a New York State Driver License at time of appointment and to maintain position.

DUTIES: This is a management position in the Highway Construction and Maintenance Division of the Department of Public Works. The incumbent is responsible for overseeing and coordinating the daily operation of work crews in the maintenance, repair and construction of roads, bridges, guardrails, drainage facilities, sector outposts, signage and other areas related to the County road system. In addition, the incumbent directly oversees the control of ice and snow on county highways during the winter season. This is a key position between daily operations and department administration, requiring the incumbent to have significant involvement in the development, implementation and enforcement of divisional policies and procedures. The work is performed under the direction of higher level administrative staff with considerable leeway allowed for addressing daily operational issues. General supervision is exercised over a variety of construction and maintenance personnel. The position is expected to be available to address emergency situations and snow and ice control activities outside of normal work hours. **EXAMPLES OF WORK (Illustrative Only):** Directs the daily operations of the Division, including overseeing all maintenance operations, highway, bridge and facility construction and reconstruction projects, and seasonal snow and ice control activities; prepares work orders, project schedules, personnel assignments, and material orders; assists with preparing specifications needed to secure material and equipment; assists with the preparation of plans, reports and recommendations concerning operations and projects for review by upper administration; assigns work projects to subordinate supervisory staff; conducts on-site inspection of projects and field work; assists with developing seasonal snow and ice control operational plans, including assigning routes to drivers, efficiently managing the distribution of sanders, plows and other equipment and materials, and conferring with local municipalities to coordinate activities; investigates complaints concerning the County highway system, including road conditions; takes appropriate remedial action or writes reports and recommendations for upper administration; oversees personnel management, including ensuring proper daily staffing, investigating possible disciplinary incidents, and enforcing departmental and County policies and procedures; assists with developing, revising and implementing policies and procedures as necessary; provides direction and instruction to work crews related to on-the-job safety; maintains records of operations, including project and material costs, reimbursement related documents and personnel and payroll information; consults with contractors and engineering staff as necessary on construction projects.

SUBJECT OF EXAMINATION: A test designed to evaluate knowledge, skills and/or abilities in the following areas:

Highways, drainage facilities, related structures, and snow and ice control

These questions test for knowledge of practices and materials used in the maintenance and repair of highway-related structures and may include such areas as roadway surfaces, shoulders, embankments, drainage materials, guide rails, highway maintenance equipment, and ice and snow removal and control.

Bridge reconstruction, maintenance, and repair

These questions test for knowledge of the proper methods, materials, and equipment used in the upkeep of bridges and bridge abutments and may include such areas as concrete and pavement maintenance, steel maintenance including sandblasting, painting, and welding, appropriate environmental and worker protection safeguards, and snow and ice removal and control.

Safety practices

These questions test for knowledge of and the ability to apply safety principles related to public works construction zones, including traffic control, safe use of equipment, and the overall safety of workers, the traveling public, and the work environment.

Scheduling work and equipment

These questions test for knowledge of work scheduling principles and for the ability to arrange work and equipment assignments in a manner that will achieve work goals while staying within scheduling criteria. This may include setting up vacation or work schedules, taking into consideration such factors as seniority, work skills, duty hours, and shift coverage.

Administrative supervision

These questions test for knowledge of the principles and practices involved in directing the activities of a large subordinate staff, including subordinate supervisors. Questions relate to the personal interactions between an upper level supervisor and their subordinate supervisors in the accomplishment of objectives. These questions cover such areas as assigning work to and coordinating the activities of several units, establishing and guiding staff development programs, evaluating the performance of subordinate supervisors, and maintaining relationships with other organizational sections.

VETERANS: Military personnel who are either in the service at time of examination or who have already been discharged may apply for disabled or non-disabled veterans' credits if they meet established criteria. Candidates who are interested in these additional credits should request an application and information sheet from the Dutchess County Department of Human Resources. Veterans' application forms will also be available on the website and upon request at the examination center. The completed forms and DD-214 (Member 4 Copy) must be received in the office as soon as possible after the examination date or before the eligible list for this examination is established.

CALCULATORS: Unless otherwise notified, candidates are permitted to use quiet, hand-held, solar or battery powered calculators. Devices with typewriter keyboards, spell checkers, personal digital assistants, address books, language translators, dictionaries or any similar devices are prohibited.

ADMISSION TO EXAMINATION: Do not interpret a notice to appear for, or actual participation in the examination to mean that you have been found to meet fully the announced requirements.

Depending on the time available before an examination, *applicants may be admitted to the examination on the basis of statements made on the application or conditionally, without prior review of the application. Such statements may not be reviewed and/or verified until after the examination is held.* At that time, those candidates not meeting the requirements are disqualified. Candidates who are subsequently disqualified after taking the test will NOT be notified of their score.

If you do not receive a notice three days prior to the date of examination informing you whether or not you are to be admitted to the examination, call the Dutchess County Department of Human Resources immediately at 845-486-2169.

CHANGE OF ADDRESS: Notify this office immediately of any change of address. The appropriate change of address form is available on the website, in the Dutchess County Department of Human Resources, and will be available at the examination center.

RESIDENCE PREFERENCE: Pursuant to Section 23.4a of Civil Service Law, preference in appointment from open-competitive lists may be given to candidates who have been residents in a locality or school district in which appointment is to be made for at least 30 days prior to certification of the eligible list. For appointment in some jurisdictions you may be required to become a resident thereof in accordance with law or resolution.

NOTE: In conformance with section 85-a of the Civil Service Law, children of firefighters and police officers killed in the line of duty shall be entitled to receive an additional ten points in a competitive examination for original appointment in the same municipality in which his or her parent has served. If you are qualified to participate in this examination and are a child of a firefighter or police officer killed in the line of duty in this municipality, please inform this office of this matter when you submit your application for examination. A candidate claiming such credit has a minimum of two months from the application deadline to provide the necessary documentation to verify additional credit eligibility. However, no credit may be added after the eligible list has been established.

APPLICATIONS: May be obtained online at www.dutchessny.gov, by sending a legal-sized, self-addressed, stamped envelope or visiting the Dutchess County Department of Human Resources, 22 Market Street, Poughkeepsie, NY 12601 (9 a.m. - 5 p.m., Monday through Friday).
