

COMMISSIONER OF CENTRAL AND INFORMATION SERVICES Office of Central and Information Services (OCIS)

2026 Salary Range: \$145,221-177,786

This is a County Charter department head that reports directly to the County Executive. The position is charged with responsibility for overseeing information management systems, telecommunications, cybersecurity, central services and a broad range of shared support services within the Office of Central and Information Services (OCIS) and other county departments. The work involves a strong commitment to marketing and developing efficient and effective shared services with other municipalities and agencies in the County. A major focus of the position involves the implementation of new and improved web-based services, linking the County with the public, local businesses, and other agencies. The incumbent assumes full administrative duties and/or oversight in areas such as strategic planning, departmental organization, business administration, technology directions, infrastructure and software purchase, budgeting, service contracting and pricing, and personnel development. In addition, the position represents the County's technology interests at regional and national organizations.

RECOMMENDED MINIMUM QUALIFICATIONS:

Bachelor's degree in computer science, information systems or a related field is preferred; but not required. Twelve (12) years of progressively responsible full-time work experience in the field of information systems and services with a strong business or public administration background; six (6) of which should be at mid-to-upper management of a large computer services operation. The incumbent must have experience with strategic planning, large scale project management and concurrent supervision of multiple teams.

NOTE: Your degree or college credit must have been awarded by a college or university accredited by a regional, national, or specialized agency recognized as an accrediting agency by the U.S. Department of Education/U.S. Secretary of Education.

SPECIAL REQUIREMENT:

Possession of a valid Driver License to operate a vehicle in New York State at time of application and to maintain appointment.

FINGERPRINTING: A fingerprint supported background investigation is required before an appointment is made to some positions. Pursuant to New York State Executive Law, the Division of Criminal Justice Services requires that a fee accompany each such request for a search. It is due once a job offer is made and accepted by the applicant.

Dutchess County offers a diverse working environment and generous benefits package including 13 paid holidays, paid time off, comprehensive health, dental and vision insurance, and NYS Retirement.
